DETAILED ACTION

Amendment

1. Receipt is acknowledged of the amendment filed on November 24, 2003. Claims
5 23-25 and 30-35 are canceled. Claims 22, 26-29, 36, 39-41 were amended. Currently,
claims 22, 26-29, and 36-41 remain for examination.

Allowable Subject Matter

2. Claims 22, 26-29, and 36-41 are allowed.
- 10 3. The following is a statement of reasons for allowance: the claims are directed at
an automated telephone interface comprising a scanner and the methods for using the
apparatus. As recited in the claims, scanned information is parsed and used in initiating a
call (or a session). Such automated telephone interface is well known in the art and
widely used in the industries as disclosed in the Desai patent. However, the cited
15 references, taken alone or in combination, fail to show or fairly teach the specific method
wherein the card is read in one direction initiates a call function, and the card read in the
other direction initiates a facsimile function as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than
the payment of the issue fee and, to avoid processing delays, should preferably
20 accompany the issue fee. Such submissions should be clearly labeled "Comments on
Statement of Reasons for Allowance."
